## The Australian Koala Foundation releases “KOALA QUIZ”

May 21, 2020

The Australian Koala Foundation (AKF) has released a Koala [personality quiz](#) to cheer us all in our isolation from the bush and nature.

The AKF invites young and old to celebrate a national icon by taking part in the quiz to discover their cuddly Koala counterpart.

The interactive experience is designed to assist supporters in adopting a Koala from the AKF [adoption program](#) based on personality and lifestyle similarities.

The [quiz](#) is great fun and an interesting way for supporters to get to know more about themselves and the Koalas available through the AKF adoption program.

“The personality quiz is wonderful, it’s personal and allows people to feel a connection to our precious Koalas,” said Chairman of the Australian Koala Foundation, Deborah Tabart OAM.

“Like people, Koalas have their own unique personalities and this quiz allows our supporters to be matched with their perfect Koala. I hope it brings joy to all,” said Ms Tabart

“I have taken the quiz and was delighted to be matched with Clara, a caring girl who loves her alone time and is a great mother to her son Cobar,” Ms Tabart said.

Adopting a Koala is a great gift for a friend, loved one or for the person that has everything already, it’s the gift that keeps giving.

The interactive quiz is accessible worldwide to everyone, even those in financial distress will have the opportunity to take the quiz and discover their cute Koala match. But if you would like to adopt, head to [savethekoala.com/adopt-a-koala](http://savethekoala.com/adopt-a-koala) to learn more.
