Koala Personality Quiz: Match with your perfect Koala

20 April 2023

The Australian Koala Foundation (AKF) has updated its [Koala Personality Quiz](#) to give new Koalas to the adoption program a chance to let their personalities shine.

Every Koala and joey are different and have their own personality, which makes them fun and unique. The AKF invites everyone to take the [free quiz](#) and find the perfect Koala that matches their personality and lifestyle. This gives people the opportunity to learn more about themselves and the Koala they match with.

“The quiz is wonderful. It’s personal and allows people to feel a connection to our precious Koalas,” says Chair of the Australian Koala Foundation, Deborah Tabart OAM.

“Like people, Koalas have their own unique personalities, and this quiz allows our supporters to be matched with their perfect Koala. I hope it brings joy to all.

“I have taken the quiz and was delighted to be matched with Cooper, a caring boy who loves his alone time in nature and sleeping with his friend Colt.”

Adopting a Koala is a great gift for a friend, family member or loved one - it is the gift that keeps on giving.

The [interactive quiz](#) is freely accessible to everyone around the world to discover their perfect Koala match. The AKF appreciates the tremendous support from people worldwide.
